Why We Have A Christmas Toy Sale Instead of a Giveaway

MBA Community Ministries seeks to help people be independent, have integrity and dignity in moving out of poverty or difficult times. Our Annual Toy Sale is a way to help families in need provide Christmas presents for their children in a dignified and responsible manner. The parent has the opportunity to choose gifts for their kids and pay for the toys themselves. Toys are priced at a very low cost to the parent (all toys are \$5 and under) and every penny is given back to the benevolence of Forest Park Ministry Center and Community of Hope. Parents who shop are made aware of how the money is used after the sale to support these ministry efforts.

For more information on giving or volunteering, contact Lisa Rose at 334-271-6794 or lrose@mgmbaptists.org.
